ACTION ASSIGNMENTS

1. The Special Projects Group undertook to negotiate final language on recommendations 11 and 15 of the IG study on visa controls policy.

2. The State Department will convey the proposed action plan for Japan to Embassy Tokyo for comment. It will also activate a working group to frame approaches to carry out the plan, seeking in particular the appropriate intelligence community clearances for information sharing.

3. The Special Projects Group undertook to examine the problem of technology transfer in India and to make recommendations to the SIG.
